To Clarke and training staff,

I was at the walk today with Gabriel and the group. I was amazed to see the success that you and your training staff have done with him. If I had not seen it with my own eyes I probably would not have believed it. You are phenomenal and should be congratulated. You have done an awesome job with him so far.

However, I left a little discouraged because I always put 110% in to our review sessions and just don't feel like I am making much progress with attaining his respect and obedience. It is very frustrating being a fairly intelligent individual and cant learn to control one dog!

But I could not wait until Thursday to tell you guys how impressed I am with what you have succeeded in doing that no one else has. You are all awesome!

But we will keep plugging along. Happy holiday
