Clark,

Just wanted to drop a note thanking you and your Sit N' Stay Academy staff for the tremendous job you did on our Jack Russell Terrier "Snoopy". Having only had Yellow Labs previously, I found that trying to train a new (and more stubborn) breed of dog was a bit more than I could manage. Knowing how much my daughters loved the dog, I figured I better get someone on board who could do the job right. You and your staff broke him of some very bad habits he had picked up, and taught him a level of patience that most would find astounding given that he's only four months old (and a Jack Russell at that). Thanks to all of you and I wish you continued success. If we ever get Snoopy a friend rest assured I'll be calling on you again!

Sincerely,
